SRI GANAPATHY SUPERAMANIAM

Phone : 017-3739769

Email : SRIGANA90@YAHOO.COM

Software Developer with over 10 years of experience and solid knowledge of object-oriented programming, particularly in Java. Experienced in designing, coding, and building web applications using the Spring Framework. Proven ability to work in fast-paced environments and deliver projects on schedule. I have also self-learned UX design through an online course and am currently learning React.js to broaden my front-end development skills.
